SAC FILM FEST and CINE ASIA (Sacramento Asian Film Festival)

PRESENTS APRIL 22nd: DEFENDER... With the recent events in Sacramento surrounding the tragic death of Stephon Clark, we feel this is the right time to share this POWERFUL film about social justice and how we all can play a roll in getting it. SF Public Defender Jeff Adachi will be in attendance.

"Defender" is a feature length film about the critical role that public defenders play in fighting for racial and social justice in America. The film takes viewers on a personal and intense tour through the underbelly of the criminal injustice system, seen through the eyes of SF Public Defender Jeff Adachi, who is one of the nation's few elected public defenders.
